LUA
COLLECTION

Welcome to Lua, a growing collection intertwining Kenyan arts with culture to create pieces of Kenya you can keep with you forever.

Here at Lua, we aren't just creating art; we are empowering communities around Kenya, and we will be happy to share their narratives with you as we both grow. We are proud to say that all products on this site are entirely made in Kenya, from the bags to the paintings, and we are excited to empower more women and men in Kenya in the future with your support.

10% of sales will go to the Earth Angels Welfare, run by a group of women based in Nairobi, working to help abandoned, physically and mentally disabled, orphaned, and the poorest of poor children living in orphanages and homes run by non-governmental agencies.
